

 ROBERT C. BYRD
HEALTH SCIENCES CENTER
OF WEST VIRGINIA UNIVERSITY

Donor Report

Fiscal Year 2004

Vice President's Message

Dear Friends,

The West Virginia University Robert C. Byrd Health Sciences Center is in the midst of the most far-reaching expansion project since the completion of our original buildings nearly fifty years ago. We are well along in the construction of our new library and learning center, and in the \$75 million expansion of Ruby Memorial Hospital. Ground has been broken for the Blanchette Rockefeller Neurosciences Institute. We will soon begin work on an expansion of the Mary Babb Randolph Cancer Center and on additional space for patient care. And plans are underway for a new research building that will likely begin to take shape around the end of 2005.

All four schools at the Health Sciences Center benefit from this amazing growth. There are new opportunities for students and faculty, new services for our patients, and new space and facilities for research.

We are grateful to those who have supported us through the years, and to the new donors who have joined our family in the past year. Your generous support makes it possible for us to provide better education for health professions students, better care for West Virginians and the increasing number of patients from other states and countries, and new hope for diagnostics and cures.

Thank you.

Sincerely,

Robert M. D'Alessandri, M.D.
Vice President for Health Sciences
West Virginia University

Thank you

Over \$15.4 million was contributed last year by alumni and friends to the schools and clinical facilities of the Robert C. Byrd Health Sciences Center. This list acknowledges those donors whose combined Health Sciences gifts totaled \$1,000 or more during fiscal year 2004. We thank each one of you for your support.

**If your name is missing,
there may be a reason.**

Listed in this *Donor Report* are all contributors \$1,000 and above to the Robert C. Byrd Health Sciences Center during the 2003- 2004 fiscal year (July 1, 2003 - June 30, 004).

If your name is not included and you think it should be, or if it is in a category other than where you think it should be, here are possible reasons:

You made your gift before July 1, 2003 or after June 30, 2004.

You made a pledge instead of a gift. This listing includes only gifts received. If you made a pledge during the fiscal year but elected to not begin payment until after June 30, 2004, your name will not appear in this listing.

You paid alumni dues, which are not considered gifts in fiscal year 2003-2004. In future years, alumni dues may be considered gifts.

You supported a special event on or off campus, and your support actually paid for goods received (a dinner, golf green fees, etc.), which are not considered gifts.

You made a gift to another area of WVU.

We made a mistake! If you find an error or have a question, please let us know so that we may correct our records. Please feel free to contact us using the information on the following page.
