

Hepatitis C Overview

Webinar • February 27, 2018, 12:00pm - 1:30pm

Continuing Education Credit: 1.5 CME, 1.8 Nursing Contact Hours

Presenter:

John Guilfoose, MD
Assistant Professor
Section of Infectious Diseases
School of Medicine
West Virginia University

Course Description: An estimated 3 million to 4 million persons in the United States are chronically infected with Hepatitis C, which if left untreated, may cause advanced liver disease and/or hepato cellular cancer. Given the sheer number of persons infected, familiarity and comfort with caring for patients infected with HCV is vital. With the recent introduction of new medications, HCV treatment paradigms are rapidly evolving, offering a potential cure for many more patients than had been previously possible.

Target Audience: This program is designed for local/regional health care providers, specifically physicians, residents, physician assistants, nurse practitioners, and nurses.

Learning Objectives:

Following this webinar, participants should be able to...

- Discuss the current epidemiology and risk factors for Hepatitis C (HCV) infection
- Identify the clinical presentation of chronic HCV infection including extrahepatic manifestations
- List the indications for HCV testing
- Describe the management and therapy of chronic HCV infection

Register online at ce.wvu.edu/hepc

You will receive the link to the webinar via email 48 hours prior to the presentation.

- Fees:**
- **Viewing** this webinar is **free**.
 - Continuing Education Credit Fee: \$15
Following the presentation, a link will be provided to access a Credit Request form, followed by a payment link.

Continuing Education Credit:

The West Virginia University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the West Virginia University School of Nursing for 1.8 contact hours. The West Virginia University School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule § 19CSR11-4 under provider number WV1996-0120RN.
